Cotswold

The Cotswold collection is a traditional range of period antique styles made from selected solid Elm. The attention to detail is stunning with beautiful panel doors and bracket feet. Handles, escutcheons and all hardware are produced from top quality brassware, enhancing each individual piece. From Queen Anne style Dresser Bases, Gateleg and Refectory Tables through to Jacobean styled panelled and realistically aged Leather Chairs. A beautiful collection for the discerning lover of antique style furniture.
